## envirosure

Low pressure alarms

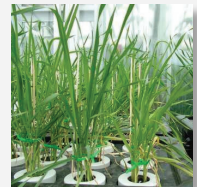

- **Envirosure** – detects aeration pump failures or power cuts immediately
- **Eco technology** – compact, lightweight with low power consumption, minimal running costs
- **Multiple variants** – options include bright LED beacon, plug-in or hardwire
- **Versatile installation** – installs in minutes with quick fit install kit ideal for fit or retrofit use
- **Meets legislation** – avoiding environmental hazards and fines
- **Diverse applications** – including domestic sewage treatment systems, laboratory experiments and koi ponds

Product	Description	Product Code
envirosure 100	Alarm module	A07-001
envirosure 110	Alarm module with beacon	A07-003
envirosure 120	Alarm module with beacon and inline transformer	A07-006

### Application Ideas

## Unex Hose Clips

- Put an end to leaky connections and fiddly hose clamps – fit our “Unex” clips
- Superior design, big adjustment makes them so easy to use and guarantees a perfect seal, every time
- Stop losing your screw drivers onsite by using the hand adjust H-type – so quick!
- Short of space, then go for the compact D-type with screw slot adjust.
- Size 22 works on most enviro installations but other sizes are available (see website), for larger tubing, hose pipes, tap adapters etc.

Product	Description	Product Code
H22	hand adjust clip	C07-043
D22	screw slot adjust clip	C07-038

## Diffusers

- **Fine pore perforation** - optimises performance with up to 20,000 holes per diffuser
- **Non clog design** – irregular perforation pattern ensures non clogging operation even in sewage treatment
- **Long life, high quality** – EPDM and silicon with PVC supports ensures long life in continuous and intermittent duty
- **Easy to fit or retrofit** – sizes from 250mm to 500mm with screw fit barbed connector for ease of installation

Product	Description	Product Code
enviro DIF-250	250mm tube diffuser	D12-001
enviro DIF-500	500mm tube diffuser	D12-002
enviro DIF-1000	1000mm tube diffuser	D12-003
enviro DIF - connector	Barbed screw fit connector	C01-500

## Manifolds

- **Robust construction** – high grade stainless steel eliminates rusting and ensures long service life
- **Multiple variants** – 6 to 18 outlets each with hand operated on/off tap fitting
- **Simultaneous applications** – enables several processes to be run from a single pump

Product	Description	Product Code
enviro MAN-6	6 way manifold	M09-008
enviro MAN-8	8 way manifold	M09-006
enviro MAN-10	10 way manifold	M09-011
enviro MAN-12	12 way manifold	M09-007
enviro MAN-18	18 way manifold	M09-009

Charles Austen Pumps also stock a comprehensive range of tubing, t-pieces, air stones and other installation accessories, please contact us for further details.
