	Environmental Policy Statement			Number	EPS-001
				Revision	Rev 4
				Date	07/06/2019
				Page number	1 of 1

ATAC Solutions Limited has adopted the provisions as contained in the Environmental Protection Act 1990, and other applicable regulations so far as the provisions apply to the categories of works we undertake.

The Management of the Company are committed to conducting business activities in a manner that avoids, reduces or controls harm to people and the Environment. Adequate and appropriate resources will be provided and competent people employed, to ensure continual improvement to environmental impacts and the preventions of pollution relative to the nature of the business. Good environmental management is considered fundamental to the operation of the business.

The company will comply with applicable legal requirements and with other requirements which relate to its environmental aspects. Regular audits and reviews of the Environmental aspects of the company operations will be undertaken and action taken as necessary.

Management will periodically review the content of this Policy Statement for continuing suitability and compliance with relevant standards together with applicable regulatory requirement. A framework for setting and reviewing environmental objectives and targets will be established. Management will also ensure that this policy statement is communicated to all persons working for, or on behalf of, the Company and implement at all levels within the organisation. This policy statement will also be made available, upon request, to members of the public.

The success of this policy requires;

- The full co-operation and involvement of all employees and others that may be involved,
- Acceptance by each individual, of the responsibility to take reasonable care of all matters that impact on the Environment,
- Co-operation with the Company to comply with its legal duties and procedures.

The management of the Company accepts the responsibility of ensuring that an environmental management system is established, implemented and maintained in accordance with ISO 14001:2015. All Managers, Supervisors and other Employees are expected to support and implement this policy wholeheartedly.
